#### **American Fresh Brewhouse Assembly Row**

Assembly Row, 490 Foley Street, Somerville MA 02145  
American Fresh Brewhouse is Assembly Row's very own gastrobrewery. Located 35 feet from the Assembly Row T stop you'll find 24 draught lines, 4-packs, beer cuisine, lunch, dinner, pints & flights. Enjoy fresh IPAs, porters, sour ales and more while munching on hot buttered pretzels with cheddar ale sauce and spicy beer mustard. Formerly operated as American Fresh Beer Garden, this new indoor location features a 24' airplane hanger door for fresh air and a seasonal patio that is dog-friendly. This location has an on-premise brewery and offers Slumbrew craft ales made by Somerville Brewing Company. Whether your group is 12 guests or 80 guests, we can host your party!

#### **THE OVERVIEW:**

YOU, {the Host, Hostess or organization} will order food from our Group Sharing Menu with an average of \$20 per person. You will pay a 50% non-refundable deposit at the time of booking and be presented with the remaining balance at the beginning of your event. You're welcome to start a new tab and add more food to your event as needed. Just ask!

You can bring your cake and eat it too! We can store your cake for you, we just don't have enough freezer space for ice cream cake. We just ask you bring your own plates & forks.

## Pre-purchased Tokens

As the host, you'll be handling the food and beer offerings for your guests. **Hosts are required to pre-purchase two tokens** for each guest and then the guests may purchase additional drinks once their tokens have been used. We will generate an estimate for you with Beer Tokens (\$8.50/ea plus tax & 18% gratuity), then your group can move on to tabs or pay as they go.

In addition to Beer Tokens, you may also pre-purchase non-alcoholic drink tokens (\$3/ea plus tax and 18% gratuity) for your guests, which can be used towards coffee, tea, and an assortment of Coke Products.

#### **Housekeeping:**

No PA address systems, bullhorns, or noisemakers are allowed at either location.

No **BALLOONS** are allowed in the Brewhouse location.

We **do not** have wine, spirits, hard cider or any other alcohol than craft beer.

The Brewhouse is kid-friendly with menus, games and toys. Both restrooms are equipped with baby changing stations. Strollers must be collapsed to be stored or locked up outside.
